Ferrari F430 Spider

Ferrari has nothing for the common cold, but if you suffer worries, boredom, grouchiness, or that debilitating ennui that settles in on Sunday afternoons around four o'clock, it has a hot new pill, and you won't need to call the doctor in the morning. One button pushed for 20 seconds drops the top of the Ferrari F430 Spider into its lascivious splash of aluminum bodywork. Need more? Now try the button on the steering wheel. Suddenly, you hear a sonorous purrrrrr, fast, fat, and deep, like a Bengal tiger getting its tummy scratched.
